## WORK EXPERIENCE

### COMPSOFT TECHNOLOGIES | TRAINER

Bengaluru, IN | Nov 2020 - Current

I have conducted several classes for over a year now. The classes are conducted for engineering students over a few software development tools and programming languages. I have excelled at this field as one of best trainers with high ratings and excellent reviews from the students participated in the program. The topics conducted include

- Full Stack Web Development: Back end tools include Django and NodeJS
- Version Control Systems: Git - Github
- Programming with Python and Java
- Introduction to Artificial Intelligence and Machine Learning

### SOFTWARE PROJECTS | DEVELOPER

Bengaluru, IN | 2020 - 2021

Designed and hosted responsive static web pages for the following clients.

- Carbon Music
- Rituals Unisex Salon and Makeup Academy
- Compssoft Technologies
- OpenSource Smart Watch - Contribution to Open Source Project
- Monkey See Monkey Type - Contribution to Open Source Project

### MUSKURAHAT FOUNDATION | VOLUNTEER

Bengaluru, IN | 2018 - 2019

- Muskurahat is an initiative to touch every sphere of society from underprivileged children looked down by poverty to women to disregard for the environment.
- One of the project that I got to work in had these three key aspects for child development which included Social Emotional Learning, Academic Support and Mental Well-Being.
- The main task involved was to create a plan for the day and allot every volunteer present with their part of the task.

### MES COLLEGE | VOLUNTEER

Bengaluru, IN | Sept 2019

A college event organised as part of the student employable skill development.

- Communicating with the Core team and handling every work assigned with at most care.
- Working with the Guests and helping them out with everything.
- Handling the crowd and directing them the right way at the event.

### CARBON MUSIC | EVENT ORGANISER & MANAGER

Bengaluru, IN | 2020 - 2021

- Managing all the DJs at the organised event.
- Communicating with the Organizers to get them the best experience out of the event and handling every requirements of the DJs.
